EDUCATION WEEK - 13th-17th of MAY

Thank you to all the parents, carers and families who attended last week's Education Week Open Evening and Open Morning. It was wonderful to see so many families engaging with our school community on these special occasions. Your presence and support made the events truly memorable, and it was a delight to share our students' achievements and the vibrant learning environment we cultivate at BPPS.

The enthusiasm and interest shown by everyone who visited reaffirms the strong partnership between our school and families, which is essential for our students' success. We hope you enjoyed exploring the classrooms, meeting the teachers, and seeing firsthand the incredible work your children are doing. Your involvement plays a crucial role in their education. Thank you once again for your continued support and dedication to our school community.

SUSHI DAY

We're excited to announce our very first Sushi Day on Thursday, June 6th! The children will enjoy a delightful culinary experience featuring a variety of delicious sushi options. It's a great opportunity for students to try something new and enjoy a special treat. Please download the Spriggy App and place your order. We look forward to celebrating Sushi Day with you!

BOOK FAIR

Thank you to our fantastic community for your incredible support of the Book Fair! Your enthusiasm and participation made the event a huge success, fostering a love for reading among our students. We truly appreciate your involvement as all money raised goes towards new books for our school library. Thank you to Vikki for organising and running this whole school event.

STUDENT ATTITUDES TO SCHOOL SURVEY

Last week Mr Moncrieff visited all classrooms from Year 4 to Year 6 to conduct the "Student Attitudes to School Survey." This survey will provide valuable data to further enhance our educational practices and meet the needs of our students effectively. More specific information about this survey was communicated to our Year 4 to 6 families earlier this term via Compass.

STUDENT REPORTS

Student reports for Semester One will be released on Friday, June 21st. Families can anticipate receiving detailed feedback and assessments of their child's performance. This information will provide valuable insights for academic growth and facilitate informed discussions with teachers and parents/carers regarding progress and areas of improvement.

PARENT/TEACHER INTERVIEWS

Parent/Teacher interviews will be conducted in the last week of Term 2 on Tuesday 25th of June. Bookings can be made via Compass. The school's preferred method for these interviews is face-to-face. If you would like a video conference (WebEx) or phone call, please book your time and inform your teacher of your choice via email. BOOKINGS WILL OPEN SHORTLY.

PHYSICAL EDUCATION REPORT

Our weekly Physical Education lessons continue to keep the children active and engaged. We are fortunate to have partnered with Sporting Schools to introduce Taekwondo and Gymnastics programs. Through these initiatives, students have been exposed to new sports and have acquired a variety of skills.

Additionally, the AFL and SEDA have been conducting a program every Thursday, allowing students from Foundation to Year 6 to participate in activities and skill development focused on Australian Rules football.

We also had an excellent turnout at the recent District Track events, with Field events scheduled for the 4th of June.
