## Principal's Report

BEN MONCRIEFF AND MERRAN WIDIANA

### WELCOME BACK

Welcome back to Term 3! We have an exciting term ahead with many wonderful events planned. One of the highlights will be the Whole School Concert, where our talented students will showcase their incredible abilities. Our Mini-Olympics Day promises to be a fun-filled day of athletic activities and friendly competition. We also have Sushi Day to look forward to, a delicious treat for all our sushi lovers.

Our Year 6 students will participate in the Interschool Sport Program, where they will demonstrate their team skills. Additionally, the Foundation students celebrated their 100 days of school today and their Swimming Program will provide them with the opportunity to learn and improve their swimming abilities in a fun and supportive environment.

We are excited about the upcoming events and look forward to a fantastic term together!

### BASKETBALL NETS

We have installed new basketball nets, improving the game experience for everyone. The vibrant, durable nets were suggested by the Student Volunteer Team (SVT).

### STAFFING UPDATE

We are pleased to welcome back Jess Luxford and Sarah McGearry from family leave. Jess will be with us on Mondays and Tuesdays, and Sarah will cover Wednesdays, Thursdays, and Fridays. They will jointly take the reins of 4B for the remainder of the school year.

Grace Holden, one of our valued team members, has chosen to leave Belvedere Park at the beginning of Term 3. Grace has decided to pursue a career with TeamKids. We wish Grace all the best as she begins a new chapter in her life and thank her for her support and dedication to the students at Belvedere Park.

### OUTSTANDING NAPLAN RESULTS

We are thrilled to announce our exceptional NAPLAN results this year! Our Year 3 students outperformed similar schools in all five categories, showcasing their hard work and dedication. Year 5 also excelled, outperforming similar schools in three areas. These achievements reflect the commitment of our students, teachers, and families to academic excellence. Individual results were sent home last week. Congratulations to all our students for their outstanding performance.

### UPCOMING SCHOOL CONCERT

We are excited to invite you to our upcoming school concert, titled "Just For The Record." This year's performance tells the heartwarming story of a family who moves into our school area and bonds over their dad's love of vinyl records. Through the family's journey, their Dad shares some of his favourite records, introducing the family to a rich tapestry of music and memories.

The concert will bring the story to life with captivating songs and vibrant choreography. Our students have been working incredibly hard to prepare for this special event, and their enthusiasm is truly inspiring.

Join us for an evening of entertainment, nostalgia, and community spirit. Mark your calendars and support our talented students as they take you on a musical journey. We look forward to seeing you there!

Ticket sales will be announced on Compass.
