VOLUNTEERS POLICY

Help for non-English speakers

If you need help to understand the information in this policy, please contact the school on (03) 9786 3205 or belvedere.park.ps@education.vic.gov.au

PURPOSE

To outline the processes that Belvedere Park Primary School will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

SCOPE

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

DEFINITIONS

Child-connected work: work authorised by the school governing authority/provider of a school boarding services and performed by an adult in a school or school boarding premises environment while children are present or reasonably expected to be present.

Child-related work: As defined by the *Worker Screening Act 2020 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

POLICY

Belvedere Park Primary School is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. Belvedere Park Primary School also recognises the valuable contribution that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Belvedere Park Primary School's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a volunteer

Members of our school community who would like to volunteer should approach a classroom teacher, staff in the office or member of the leadership team to register interest.

Suitability checks including Working with Children Clearances

Working with students

Belvedere Park Primary School values the many volunteers that assist in our classrooms/with sports events/school concerts and other programs. To ensure that we are meeting our legal obligations under the *Worker Screening Act* and the Child Safe Standards, Belvedere Park Primary School is required to undertake suitability checks which in most cases will involve asking for evidence of a Working with Children (WWC) Clearance and may also involve undertaking reference, proof of identity, qualification and work history involving children checks.

Considering our legal obligations, and our commitment to ensuring that Belvedere Park Primary School is a child safe environment, we will require volunteers to obtain a WWC Clearance and produce their valid card to the office for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is **not** participating, or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- **Parent/family volunteers** who regularly assist in school activities, regardless of whether their own child is participating or not
- **Parent/community School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, school council, participating in sub-committees of the school council, fete coordination, other fundraising groups that meet in the evenings during which children will not be, or would not reasonably be expected to be, present.

Volunteers for this type of work are not required to have WWC Clearances or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Belvedere Park Primary School reserves the right to undertake suitability checks, including requiring proof of identity and WWC Clearance, at its discretion if considered necessary for any particular activities or circumstances.

Training and induction

Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.

To support us to maintain a child safe environment, before engaging in any work where children are present or reasonably likely to be present, volunteers must familiarise themselves with the policies, procedures and code of conduct referred to in our Child Safety Induction Pack and ensure the actions and requirements in these documents are followed when volunteering for our school.

Depending on the nature and responsibilities of their role, Belvedere Park Primary School may also require volunteers to complete additional child safety training.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our Child Safety and Wellbeing Policy, our Child Safety Code of Conduct and our Statement of Values and School Philosophy.

Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#).

The principal (or their nominee) will determine the level of school staff supervision required for volunteers, depending on the type of work being performed, and with a focus on ensuring the safety and wellbeing of students.

The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Belvedere Park Primary School.

Privacy and information-sharing

Volunteers must ensure that any student information they become aware of because of their volunteer work is managed sensitively and in accordance with the [Schools' Privacy Policy](#) and the Department's policy on [Privacy and Information Sharing](#).

Under these policies, student information can and should be shared with relevant school staff to:

- support the student's education, wellbeing and health;
- reduce the risk of reasonably foreseeable harm to the student, other students, staff or visitors;
- make reasonable adjustments to accommodate the student's disability; or
- provide a safe and secure workplace.

Volunteers must immediately report any child safety concerns that they become aware of to a member of staff to ensure appropriate action. There are some circumstances where volunteers may also be obliged to disclose information to authorities outside of the school such as to Victoria Police. For further information on child safety responding and reporting obligations refer to: *Child Safety Responding and Reporting Obligations Policy and Procedures*.

Records management

While it is unlikely volunteers will be responsible for any school records during their volunteer work, any school records that volunteers are responsible for must be provided to the Principal to ensure they are managed in accordance with the Department's policy: [Records Management – Schools](#).

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers' Compensation Policy if they suffer personal injury in the course of engaging in school work.

Property damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.

School staff and volunteer responsibilities

1. Immediate action

If a school staff member or volunteer witnesses an incident of child abuse, or reasonably believes, suspects or receives a disclosure or allegation that a child has been, or is at risk of being abused, they must:

- If a child is at immediate risk of harm, separate alleged victims and others involved, administer first aid (appropriate to their level of training) and call 000 for urgent medical or police assistance where required to respond to immediate health or safety concerns.
- Notify the principal, as soon as possible, who will ensure our school follows the steps in these procedures.

NOTE for staff and volunteers:

- if you are uncertain if an incident, disclosure, allegation or suspicion gives rise to a concern about child abuse you must always err on the side of caution and report the concern to the school principal.
- If the school principal is unavailable, contact the assistant principal will take on this role.
- If the concerns relates to the conduct of the school principal please contact the [relevant regional office](#) who must then take on responsibility for ensuring our school follows these procedures.

Refer to Appendix B for guidance on how to respond to a disclosure of child abuse.

2. Reporting to authorities and referring to services

As soon as immediate health and safety concerns are addressed, and relevant school staff have been informed, the principal **must** report all incidents, suspicions and disclosures of child abuse as soon as possible.

The following steps will ensure our school complies with the four critical actions as well as additional actions required under the Child Safe Standards.

The principal must ensure:

- all relevant information is reported to the Department of Families, Fairness and Housing (DFFH) Child Protection, Victoria Police or relevant services where required
- the incident is reported to the Department's [eduSafe Plus portal](#) or the Incident Support and Operations Centre (1800 126 126) in accordance with the severity rating outlined in the [Managing and Reporting School Incidents Policy](#)
- all [reportable conduct](#) allegations or incidents are reported by the Principal to the Department's Employee Conduct Branch (03 7022 0005) – where a reportable conduct allegation is made against the Principal, the Regional Director must be informed who will then make a report to Employee Conduct Branch

NOTE: In circumstances where staff members are legally required to report child abuse to DFFH Child Protection or Victoria Police and they are unable to confirm that the information has been reported by another person at the school or the designated member of school staff does not agree that a report needs to be made, the staff member who has formed the reasonable belief must still contact DFFH Child Protection and Victoria Police to make the report.

If you believe that a child is not subject to abuse, but you still hold significant concerns for their wellbeing you must still act. This may include making a referral or seeking advice from Child FIRST or The Orange Door (in circumstances where the family are open to receiving support) DFFH Child Protection or Victoria Police.

3. Contacting parents or carers

The principal must ensure parents and carers are notified unless advised otherwise by DFFH Child Protection or Victoria Police, or there are other safety and wellbeing concerns in relation to informing parents/carers.

Principals may contact the Department of Education and Training Legal Division for advice on notifying parents and carers, and where relevant, the wider school community.

For further guidance, refer to [PROTECT Contacting parents and carers](#)

4. Ongoing protection and support

The principal must ensure appropriate steps are taken by the school to protect the child and other children from any continued risk of abuse. These steps must be taken in consultation with any relevant

external agency or Department staff such as DFFH Child Protection, Victoria Police, Legal Division or Employee Conduct Branch. Ongoing protection will also include further reports to authorities if new information comes to light or further incidents occur.

Appropriate, culturally sensitive and ongoing support must be offered and provided to all affected students. Ongoing support will be based on any available advice from the Department, parents and carers, health practitioners, and other authorities (such as DFFH or Victoria Police) and may include referral to wellbeing professionals, development of a safety plan, student support group meetings, and, for student to student incidents, behaviour management and support measures.

5. Recordkeeping

The principal will ensure that:

- detailed notes of the incident, disclosure, allegation or suspicion are taken using the [Responding to Suspected Child Abuse: Template](#) or the [Responding to Student Sexual Offending: template](#) including, where possible, by the staff member or volunteer who reported the incident, disclosure, or suspicion to them
- detailed notes are taken of any immediate or ongoing action taken by the school to respond to the incident, disclosure, allegation or suspicion
- all notes and other records relating to the incident, disclosure, allegation or suspicion, including the schools immediate and ongoing actions, are stored securely in the locked office filing cabinet.

For school visitors and school community members

All community members aged 18 years or over have legal obligations relating to reporting child abuse – refer to Appendix A for detailed information.

Any person can make a report to DFFH Child Protection or Victoria Police if they believe on reasonable grounds that a child is in need of protection. For contact details, refer to the [Four Critical Actions](#).

Members of the community do not have to inform the school if they are making a disclosure to DFFH Child Protection or the Victoria Police. However, where a community member is concerned about the safety of a child or children at the school, the community member should report this concern to the principal so that appropriate steps to support the student can be taken

Additional requirements for all staff

All staff play an important role in supporting student safety and wellbeing and have a duty of care to take reasonable steps to prevent reasonably foreseeable harm to students.

Fulfilling the roles and responsibilities in the above procedure does not displace or discharge any other obligations that arise if a person reasonably believes that a child is at risk of child abuse. This means that if, after following the actions outlined in the procedure, a staff member reasonably believes that a child remains at risk of abuse, they must take the following steps:

- if they are concerned that the school has not taken reasonable steps to prevent or reduce the risk, raise these concerns with the principal in the first instance, and escalate to the regional office if they remain unsatisfied.
- report the matter to the relevant authorities where they are unable to confirm that the information has been reported by another staff member

Staff must refer to Appendix A for further information on their obligations relating to reporting to authorities.

APPENDIX A

LEGAL OBLIGATIONS RELATING TO REPORTING CHILD ABUSE

The following information outlines the various legal obligations relating to the reporting of child abuse to relevant authorities.

It is important to note that the procedures outlined in the above policy ensure compliance with the below reporting obligations, and also include additional steps to ensure compliance with Department policy and our school's duty of care obligations.

Mandatory reporting to Department of Families, Fairness and Housing (DFFH) Child Protection

The following individuals are mandatory reporters under the *Children, Youth and Families Act 2005* (Vic):

- registered teachers and early childhood teachers (including principals and school staff who have been granted permission to teach by the VIT)
- school counsellors including staff who provide direct support to students for mental, emotional or psychological wellbeing, including (but not limited to) school health and wellbeing staff, primary welfare coordinators, student wellbeing coordinators, mental health practitioners, chaplains, and Student Support Services staff
- nurses
- registered psychologists
- police officers
- registered medical practitioners
- out of home care workers (excluding voluntary foster and kinship carers)
- early childhood workers
- youth justice workers
- people in religious ministry
- midwives

All mandatory reporters must make a report to the Department of Families, Fairness and Housing (DFFH) Child Protection as soon as practicable if, during the course of carrying out their professional roles and responsibilities, they form a belief on reasonable grounds that:

- a child has suffered, or is likely to suffer, significant harm as a result of physical abuse and/ or sexual abuse; and
- the child's parents or carers have not protected, or are unlikely to protect, the child from harm of that type.

A mandatory reporter who fails to comply with this legal obligation may be committing a criminal offence. It is important for all staff at Belvedere Park Primary School to be aware that they are legally obliged to make a mandatory report on each occasion that they form a reasonable belief that a child is in need of protection and they must make a mandatory report even if the principal or any other mandatory reporter does not share their belief that a report is necessary.

If charged with not making a mandatory report, it may be a defence for the person charged to prove that they honestly and reasonably believed that all of the reasonable grounds for their belief had been the subject of a report to child protection made by another person.

The identity of a person who reports any protective concerns to DFFH Child Protection is protected by law. It is an offence for a person, other than the person who made the report, to disclose the name of the person who made a report or any information that is likely to lead to their identification.

At our school, all mandated school staff must undertake the *Mandatory Reporting and Other Obligations eLearning Module* annually.

The policy of the Department of Education and Training (DET) requires **all staff** who form a reasonable belief that a child is in need of protection to discuss their concerns with the school leadership team and to report their concerns to DFFH and in some circumstances to Victoria Police, or to ensure that all the information relevant to the report has been made by another school staff member.

Any person can make a report to DFFH Child Protection (131 278 – 24 hour service) if they believe on reasonable grounds that a child is in need of protection even if they are not a mandatory reporter listed above.

Reporting student wellbeing concerns to Child FIRST/Orange Door

At Belvedere Park Primary School we also encourage staff to make a referral to Child FIRST/Orange Door when they have significant concern for a child's wellbeing. For more information about making a referral to Child FIRST/Orange Door see the Policy and Advisory Library: [Protecting Children – Reporting and Other Legal Obligations](#).

Reportable Conduct

The Reportable Conduct Scheme is focussed on worker and volunteer conduct and how organisations investigate and respond to suspected child abuse. The scheme aims to improve organisational responses to suspected child abuse and to facilitate the identification of individuals who pose a risk of harm to children.

There are five types of 'reportable conduct' listed in the *Child Wellbeing and Safety Act 2005*:

- sexual offences against, with or in the presence of, a child
- sexual misconduct (which includes grooming) against, with or in the presence of, a child
- physical violence against, with or in the presence of, a child
- behaviour that causes significant emotional or psychological harm to a child
- significant neglect of a child.

A reportable conduct allegation is made where a person makes an allegation, based on a reasonable belief, that a worker or volunteer has committed reportable conduct or misconduct that **may** involve reportable conduct.

If school staff or volunteers become aware of reportable conduct by any current or former employee, contractor or volunteer, they must notify the school principal immediately. If the allegation relates to the principal, they must notify the Regional Director.

The principal or regional director must notify the Department's Employee Conduct Branch of any reportable conduct allegations involving current or former employees of the school (including Department, allied health, casual and school council employees), contractors and volunteers (including parent volunteers).

- Employee Conduct Branch: 03 7022 0005 or employee.conduct@education.vic.gov.au

The Department's Secretary, through the Manager, Employee Conduct Branch, has a legal obligation to inform the Commission for Children and Young People when an allegation of reportable conduct is made.

For more information about reportable conduct see the Department's *Policy and Advisory Library*: [Reportable Conduct](#) and the Commission for Children and Young People's [website](#).

Failure to disclose offence

Reporting child sexual abuse is a community-wide responsibility. All adults (ie persons aged 18 years and over), not just professionals who work with children, have a legal obligation to report to Victoria Police, as

soon as practicable, where they form a 'reasonable belief' that a sexual offence has been committed by an adult against a child under the age of 16 in Victoria.

Failure to disclose information to Victoria Police (by calling 000, local police station or the Police Assistance Line 131 444) as soon as practicable may amount to a criminal offence unless a person has a 'reasonable excuse' or exemption from doing so.

"Reasonable belief" is not the same as having proof. A 'reasonable belief' is formed if a reasonable person in the same position would have formed the belief on the same grounds.

For example, a 'reasonable belief' might be formed when:

- a child states that they have been sexually abused
- a child states that they know someone who has been sexually abused (sometimes the child may be talking about themselves)
- someone who knows a child states that the child has been sexually abused
- professional observations of the child's behaviour or development leads a mandated professional to form a belief that the child has been sexually abused
- signs of sexual abuse leads to a belief that the child has been sexually abused.

"Reasonable excuse" is defined by law and includes:

- fear for the safety of any person including yourself or the potential victim (but not including the alleged perpetrator or an organisation)
- where the information has already been disclosed to Victoria Police and you have no further information to add (for example, through a mandatory report to DFFH Child Protection or a report to Victoria Police from another member of school staff).

Failure to protect offence

This reporting obligation applies to school staff in a position of authority. This can include principals, assistant principals and campus principals. Any staff member in a position of authority who becomes aware that an adult associated with their school (such as an employee, contractor, volunteer or visitor) poses a risk of sexual abuse to a child under the age of 16 under their care, authority or supervision, must take all reasonable steps to remove or reduce that risk.

This may include removing the adult (ie persons aged 18 years and over) from working with children pending an investigation and reporting your concerns to Victoria Police.

If a school staff member in a position of authority fails to take reasonable steps in these circumstances, this may amount to a criminal offence.

Further information

For more information about the offences and reporting obligations outlined in this fact sheet refer to: [Protecting Children — Reporting and Other Legal Obligations](#).

APPENDIX B: MANAGING DISCLOSURES OF CHILD ABUSE

Important information for staff

When managing a disclosure relating to child abuse you should:

- listen to the student and allow them to speak
- stay calm and use a neutral tone with no urgency and where possible use the child's language and vocabulary (you do not want to frighten the child or interrupt the child)
- be gentle, patient and non-judgmental throughout
- highlight to the student it was important for them to tell you about what has happened
- assure them that they are not to blame for what has occurred
- do not ask leading questions, for example gently ask, "What happened next?" rather than "Why?"
- be patient and allow the child to talk at their own pace and in their own words
- do not pressure the child into telling you more than they want to, they will be asked a lot of questions by other professionals, and it is important not to force them to retell what has occurred multiple times
- reassure the child that you believe them and that disclosing the matter was important for them to do
- use verbal facilitators such as, "I see", restate the child's previous statement, and use non-suggestive words of encouragement, designed to keep the child talking in an open-ended way ("what happened next?")
- tell the child in age appropriate language you are required to report to the relevant authority to help stop the abuse, and explain the role of these authorities if appropriate (for a young child this may be as simple as saying "I will need to talk to people to work out what to do next to help you")
- Take prompt action in relation to following the procedures outlined below.

When managing a disclosure you should AVOID:

- displaying expressions of panic or shock
- asking questions that are investigative and potentially invasive (this may make the child feel uncomfortable and may cause the child to withdraw)
- going over the information repeatedly (you are only gathering information to help you form a belief on reasonable grounds that you need to make a report to the relevant authority)
- making any comments that would lead the student to believe that what has happened is their fault
- making any promises you will keep the information the student provided confidential
- making promises to the child about what will occur next or that things will be different given the process can be unpredictable and different for each child depending on their circumstances (instead reassure them that you and others will do your best to help).

Belvedere Park Primary School

CHILD SAFETY CODE OF CONDUCT

Purpose

Our Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

All Belvedere Park Primary School staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

Acceptable behaviours

As Belvedere Park Primary School, staff, volunteers, contractors, and any other member of our school community involved in child-connected work, we are responsible for supporting and promoting the safety of children by:

- upholding our Belvedere Park Primary School commitment to child safety at all times and adhering to our Child Safety and Wellbeing Policy.
- treating students and families in our school community with respect in our school environment and outside our school environment as part of normal social and community activities.
- listening and responding to the views and concerns of students, particularly if they disclose that they or another child or student has been abused or are worried about their safety or the safety of another child or student.
- promoting the cultural safety, participation and empowerment of Aboriginal students, students with culturally and/or linguistically diverse backgrounds, students with a disability, international students, students who are unable to live at home and lesbian, gay, bisexual, transgender and intersex (LGBTIQ+) students.
- ensuring, as far as practicable, that adults are not alone with a student – one-to-one interactions between an adult and a student are to be in an open space or in line of sight of another adult.
- reporting any allegations of child abuse or other child safety concerns to the principal or assistant principal.
- understanding and complying with all reporting and disclosure obligations (including mandatory reporting) in line with our child safety responding and reporting policy and procedures and the [PROTECT Four Critical Actions](#).
- if child abuse is suspected, ensuring as quickly as possible that the student(s) are safe and protected from harm.

Unacceptable behaviours

As Belvedere Park Primary School, staff, volunteers, contractors and member of our school community involved in child-connected work we must not:

- ignore or disregard any concerns, suspicions or disclosures of child abuse or harm
- develop a relationship with any student that could be seen as favouritism or amount to 'grooming' behaviour (for example, by offering gifts)
- display behaviours or engage with students in ways that are not justified by the educational or professional context
- ignore an adult's overly familiar or inappropriate behaviour towards a student

- discuss intimate topics or use sexualised language, except when needed to deliver the school curriculum or professional guidance
- treat a child or student unfavourably because of their disability, age, gender, race, culture, vulnerability, sexuality or ethnicity
- communicate directly with a student through personal or private contact channels (including by social media, email, instant messaging, texting etc) except where that communication is reasonable in all the circumstances, related to schoolwork or extra-curricular activities or where there is a safety concern or other urgent matter
- photograph or video a child or student in a school environment except in accordance with the [Photographing, Filming and Recording Students policy](#) or where required for duty of care purposes
- consume alcohol against school policy or take illicit drugs in the school environment or at school events where students are present
- have contact with any student outside of school hours except when needed to deliver the school curriculum or professional guidance and parental permission has been sought.

Breaches to the Child Safety Code of Conduct

All Belvedere Park Primary School staff, volunteers, contractors and any other member of the school community involved in child-connected work who breach this Child Safety Code of Conduct may be subject to disciplinary procedures in accordance with their employment agreement or relevant industrial instrument, professional code or terms of engagement.

In instances where a reportable allegation has been made, the matter will be managed in accordance with the Department of Education and Training Conduct Scheme Policy and may be subject to referral to Victoria Police.

All breaches and suspected breaches of the Belvedere Park Primary School Child Safety Code of Conduct must be reported to the principal.

If the breach or suspected breach relates to the principal, contact the assistant principal.

FOUR CRITICAL ACTIONS FOR SCHOOLS

Responding to Incidents, Disclosures and Suspicions of Child Abuse

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**.

- If a child is at immediate risk of harm you **must** ensure their safety by:
- separating alleged victims and others involved
 - administering first aid
 - calling **000 for urgent medical and/or police assistance** to respond to immediate health or safety concerns
 - identifying a contact person at the school for future liaison with Police.
- Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES / REFERRING TO SERVICES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

← Q: Where does the source of suspected abuse come from? →

WITHIN THE SCHOOL

VICTORIA POLICE
You **must** report all instances of suspected child abuse involving a school staff member, contractor, volunteer or visitor to Victoria Police.

You **must also** report **internally** to:

- **GOVERNMENT SCHOOLS**
 - School principal and/or leadership team
 - Employee Conduct Branch
 - DET Incident Support and Operations Centre
- **CATHOLIC SCHOOLS**
 - School principal and/or leadership team
 - Diocesan education office.
- **INDEPENDENT SCHOOLS**
 - School principal and/or school chairperson
 - Commission for Children and Young People on **1300 782 978**

All allegations of reportable conduct **must** be reported as soon as possible to:

- **GOVERNMENT SCHOOLS**
 - Employee Conduct Branch
- **CATHOLIC SCHOOLS**
 - Diocesan education office
- **INDEPENDENT SCHOOLS**
 - Commission for Children and Young People on **1300 782 978**.

OTHER CONCERNS

If you believe that a child is not subject to abuse, but you still hold **significant concerns** for their wellbeing you **must** still act. This may include making a referral or seeking advice from:

- Child FIRST/The Orange Door (in circumstances where the family are open to receiving support)
- DHHS Child Protection
- Victoria Police.

For suspected student sexual assault, please follow the **Four Critical Actions: Student Sexual Offending**.

YOU MUST TAKE ACTION

- You **must** act, by following the **Four Critical Actions**, as soon as you witness an incident, receive a disclosure or form a reasonable belief* that a child has, or is at risk of being abused.

* A reasonable belief is a deliberately low threshold. This enables authorities to investigate and take action.

As a school staff member, you play a **critical role** in protecting children in your care.

- It is strongly recommended that you use the **Responding to Suspected Child Abuse template** to keep clear and comprehensive notes, even if you make a decision not to report.

3 CONTACTING PARENTS/CARERS

Your principal **must** consult with DHHS Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- **not to contact** the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- **to contact** the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion)
- **how to communicate** with all relevant parties with consideration for their safety.

4 PROVIDING ONGOING SUPPORT

Your school **must** provide support for children impacted by abuse. This should include the development of a **Student Support Plan** in consultation with wellbeing professionals. This is an essential part of your duty of care requirements.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals and support.

You **must** follow the **Four Critical Actions** every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.
