WELCOME TO TERM 4!

Welcome to Term 4! We have an exciting term ahead with lots of memorable activities. Our lifesaving swimming program at Mornington Life Saving Club will give students important water safety skills, and the school Colour Fun Run promises to be full of energy and fun. The Year 6 Day Out is a highlight we're all looking forward to, and of course, we'll finish the year with the grand finale of our Year 6 Graduation! It's going to be a fantastic term!

FUN RUN!

HIVE CORE VALUES

Every student in the 5/6 area has been introduced to, or reminded of, our behaviour system, which directly influences the Friday electives – a selection of fun activities. The choices made during the week impact these options, with consequences starting from losing their choice of activity to potentially forfeiting their time altogether. We aim to foster an understanding among students about how their behaviour in the classroom and playground directly correlates with their ability to enjoy these weekly rewards. It's all about connecting choices with outcomes and encouraging responsible decision-making

SPORT

Year 6 sport will be on Friday's at 10:00. This term we will participating in a T-Ball round robin! All students will need to have a hat to participate in sport this term.

HOMEWORK

Students are expected to be reading each night and times tables practice.

ROTARY AWARDS

Congratulation to the students who are working hard on their Rotary awards. We will continue to monitor workbooks and celebrate your success along the way.

STOMP

On Monday the 11th November, Year 6 students will participate in STOMP dance lessons to prepare for graduation. It will be a 5 week program that is free of cost to families.
