

# WELCOME BACK TO SCHOOL YEAR 5

## WELCOME BACK!

Welcome to Term Three! There is another busy and wonderful term of learning in store for our Year 5 students. Our students have returned back to school well rested and eager to see what's in store for them this term. Our Inquiry topics are all Geography based. We have an exciting Olympics day coming up on the 31st of July which will be a fun filled day. Arguably the biggest day on the calendar is quickly approaching, the annual school concert. Our students are busily working on their class items and we are looking forward to the 15th of August. Book Week is also on this term which begins on the 19th of August, with the dress up day being held on the 21st of August. We have an exciting excursion planned to Monterey Secondary College on the 3rd of September for their annual World Traditional Games day. It is a great opportunity to visit another secondary college in our area, and have fun while doing it. Further information will be posted on Compass before the day. What a bust term ahead we have!!!

## **CHOICE, RESPONSIBILITY, RESPECT AND CONSEQUENCES**

These are the four words we live by in the Hive. All students have been introduced to, or reminded of, the behaviour system that runs throughout the 5/6 area. Each student's behaviour is directly linked to the Friday electives. Each Friday afternoon students have a choice of fun activities. Students who have been on the behaviour system during the week accumulate consequences starting with the loss of their choice and increasing to the complete loss of their time. We are encouraging students to see the connection between their choices throughout the week in the classroom and playground and the ability to participate in weekly rewards.

## HOMWORK

There will be 3 main consistent components of homework throughout the year.

1. Weekly spelling words, which will go out on the Monday and be tested on the Friday of the same week.
2. Regular times table practice.
3. Daily reading of a text. Recommended time is between 10-15 minutes.

There was also a small Olympic project that the students are working on in class that students have been encouraged to take home and add to as homework. This will be due Friday the 16th of August.
